

May 2026

Aloha!

The American Society of Civil Engineers (ASCE) Hawaii Section cordially invites you to participate in the **23<sup>rd</sup> Annual Scholarship Golf Tournament in Honor of Steve Fong which will be held on Friday, August 7, 2026 at Pearl at Kalauao** (formally Pearl Country Club). Similar to what we've done in the past, this year's tournament proceeds will be donated to the University of Hawaii ASCE Student Chapter to assist in their efforts to raise awareness and introduce more students to the engineering profession. The ASCE Hawaii Section is honored to host this fundraising tournament in support of the growth and development of future engineers.

The ASCE Hawaii Section, along with the ASCE Student Chapter, is truly grateful to our participants for the tremendous support and camaraderie experienced in previous tournaments. We kindly seek your continued support and assistance in ensuring this year's tournament is just as successful!

You can help by entering a corporate sponsored team or gathering a few friends to make a team to support. We also welcome any donations for the golf event: monetary gifts, merchandise, and/or gift certificates for team prizes, etc. All donations, excluding the value of any services/benefits received, are tax deductible. The registration/donation form is attached.

Your earliest registration would be greatly appreciated (early registration closes July 2, 2026). The deadline to register for the tournament is on **July 17, 2026**. Should you require any additional information, please do not hesitate to call Ms. Lori Fong at (808) 955-4441 or Ms. Emi Kiyoi at (808) 382-6717.

Thank you for your time and consideration and we look forward to seeing you there!

Mahalo,

Steven Doo, P.E., M.ASCE  
President, Hawaii Section  
American Society of Civil Engineers

Emi Kiyoi, P.E., LEED AP  
Tournament Chair

Payment will not be accepted on the day of the tournament. **Discounted early registration and payment (for sponsor entries) must be received or postmarked by July 2, 2026. All other entries deadline July 17, 2026.**

## **String Game Rules     \$50.00 per packet, per 3-person team**

Included in the packet:     18 feet of string  
                                         Scissors  
                                         Instructions

Each team can use the enclosed 18 feet of string, or any portion, thereof, to BETTER their lie of the ball at any time of the round, without penalty. Use the enclosed scissors to trim the string to desired length. Length of string must be discarded after use. Once the string is used, there will be no re-use of the string at a later time of the round. This is based on an honor system.

An example of the string use:

Say your team's best lie from your drive off the tee is in a sand bunker, 5 feet into the bunker. If your team chooses to, you may use, say 6'-2" of the string to get you out of the bunker. You discard the 6'-2" length of the string, as you have used it to better your lie. You now have 11'-10" of string remaining. Your team decides when the use of the string would be of the most benefit to your score.

Par Three. On a par three, if your best lie is within the 10 feet of the hole, your team may opt to use the string to post a score of one (1). However, it does NOT qualify the team for the Hole-in-One prize. To collect a hole-in-one prize, the shot MUST be made off the tee.

## **“Pay to Advance”     \$60.00 per 3-person team, per hole**

For Hole No. 1 and Hole No. 12, both par 5's, we are offering a “Pay to Advance” opportunity. For a \$60.00 per team, per hole, donation, the team may advance to an advantageous location off of the green to play their first shot.

Any questions, please ask a volunteer and they shall get a response for you.

Thank you!
