Lester Fukuda Engineering Scholarship

On a separate sheet, please provide the following additional information about yourself:

Leadership, Service, and Extracurricular Activities

Please list school, community, professional, or volunteer activities that have contributed to your development.

Financial Need (Optional but Encouraged)

Please provide information that will help the selection committee understand your financial circumstances and educational funding needs. If you have or will receive other scholarship or tuition aid in 2026, please indicate the name and amount.

Essay (Required)

Please submit a typed essay (500–750 words) addressing the following question:

Lester Fukuda was respected not only for his professional accomplishments but also for his commitment to serving the engineering profession and the community. The engineering profession requires making decisions that affect public safety, quality of life, and the long-term well-being of communities. Describe a responsibility that engineers have beyond completing technical work. How do you plan to uphold that responsibility throughout your education and career?

Submission Instructions

Completed applications must be RECEIVED via email no later than Tuesday, September 8, 2026, along with proof of enrollment (receipt for current semester – Banner printout) to:

ASCE Hawaii Section

ascehawaiisection@gmail.com

Indicate “Application – Lester Fukuda Engineering Scholarship” in the subject line of the email.
